### **PROCLAMATION**

WHEREAS, the Egyptian Building and Construction Trades Council recognizes the urgent needs of the construction unions to train and maintain the most highly skilled, highly trained workforce capable of meeting the needs of the industries in which we serve.

WHEREAS, the institution of registered apprenticeship programs has proven over millennia to be the most effective method for the transfer of traditional knowledge and skill from one generation to the next.

WHEREAS, registered apprenticeship is the proven vehicle to incorporate training on new and emerging technologies for the apprentice and the journey worker that will secure America's future ability to sustain the rebuilding and maintenance of our infrastructure in an increasingly competitive global marketplace.

WHEREAS, recent U.S economic circumstances and institutional education focus have created a generational gap in the number of trained, available and future journey workers to supply the immediate, short- and long-term needs of the building and construction trades.

WHEREAS, registered and graduate apprentices understand the perseverance, technical aptitude, and teamwork required on the construction workplace as they strive each day to become more knowledgeable and capable through structured related technical training and on the job instruction.

THEREFORE, LET IT BE RESOLVED, THAT THE EGYPTIAN BUILDING AND CONSTRUCTION TRADES COUNCIL CALLS UPON ALL LOCAL UNIONS AND THEIR INDUSTRY PARTNERS TO TAKE MEASURE OF THEIR CURRENT AND FUTURE SKILLED WORKFORCE NEEDS DURING:
