

<p>TITLE I ADULT</p>	<p>All measures were negotiated between U.S. DOL Region 5 and the State in May 2020 for Program Years 2020 and 2021. No measures remain in baseline status. However, the Employment Rate 4th Quarter after Exit, Measurable Skill Gains and Credential Attainment rate measures will not be evaluated for performance success or failure until PY2022.</p> <p>A Statistical Adjustment Model (SAM) will be applied to all negotiated goals to determine adjusted levels of performance. Actual performance outcomes will be compared to the adjusted levels to determine success or failure by the State.</p>
<p>TITLE I DISLOCATED WORKER</p>	<p>All measures were negotiated between U.S. DOL Region 5 and the State in May 2020 for Program Years 2020 and 2021. No measures remain in baseline status. However, the Employment Rate 4th Quarter after Exit and Credential Attainment rate measures will not be evaluated for performance success or failure until PY2022.</p> <p>A Statistical Adjustment Model (SAM) will be applied to all negotiated goals to determine adjusted levels of performance. Actual performance outcomes will be compared to the adjusted levels to determine success or failure by the State.</p>
<p>TITLE I YOUTH</p>	<p>The Employment Rate 2nd and 4th Quarter after Exit measures for the Title I Youth program also includes participants who were enrolled in Education or Training.</p> <p>All measures were negotiated between U.S. DOL Region 5 and the State in May 2020 for Program Years 2020 and 2021. No measures remain in baseline status. However, the Education or Training, or Employment Rate 4th Quarter after Exit and Credential Attainment rate measures will not be evaluated for performance success or failure until PY2022.</p> <p>A Statistical Adjustment Model (SAM) will be applied to all negotiated goals to determine adjusted levels of performance. Actual performance outcomes will be compared to the adjusted levels to determine success or failure by the State.</p>

<p>TITLE II ADULT EDUCATION</p>	<p>Employment, credential attainment and MSG targets were negotiated for PY2020 and PY2021 using the Statistical Adjustment Model and targets are required to show Continuous Improvement. Targets for PY2020 and 2021 are indicated above for all measures, except Effectiveness in Serving Employers (which remains in baseline). In PY2020, Credential Attainment and Median Earnings performance indicators were above OCTAE negotiated targets, while MSG and Q2 & Q4 Employment Rate performance indicators were below negotiated targets. Negotiations for the next two program years should begin in February/March 2022.</p> <p><i>*Title II Adult Education Employment Rate 2nd Quarter and 4th Quarter after exit and Median Earnings indicators require a file submittal to the state wage agency in order obtain wages on the individuals. It's important to note that current matching algorithms to track individuals into employment require an SSN. While students without an SSN are included in the tracking cohort (i.e., denominator), only students with a valid SSN can be successfully tracked and positively counted for employment. This results in undercounting for successful employment. No self-reported or survey data from programs on successful employment of students is included in these rates.</i></p>
<p>TITLE III WAGNER-PEYSNER</p>	<p>Non-baseline measures - Employment Rate 2nd and 4th Quarter After Exit and Median Earnings were negotiated on May 19, 2020, for PY 2020 & 2021. Based on a full year of actual outcomes in PY 2019, Illinois' expected outcomes in these measures for PY20/21 are Employment Rate 2nd Quarter after Exit 68.0%, Employment Rate 4th Quarter after Exit 69.0% and Median Earnings 2nd Quarter after Exit \$5,800. will remain the same as the negotiated measures in PY18/19 with the exception of Employment Rate 4th Quarter After Exit that will increase from 60.0 to 61.0 in PY20/21. Credential Attainment and Measurable Skill Gains does not apply and will never be reportable for WIOA Title III Wagner-Peyser.</p>

**TITLE IV
VOCATIONAL
REHABILITATION**

PY2020 was the first year for which State Title-IV Vocational Rehabilitation programs would have performance success or failure determined for the Measurable Skills Gains (MSG) indicator. For PY2020 and PY2021 the negotiated goal and expected level of performance for our MSG Rate is 62.2%. All other metrics remain in baseline status until PY2022. For that reason, Illinois Title-IV success for PY2020 is determined by 90% of the MSG Rate target goal of 62.2% or 55.98%. For PY20, the Illinois Department of Human Services Division of Rehabilitation Services Vocational Rehabilitation Program attained an MSG Rate of 59.8%. This will be considered successful and is one of the highest rates attained by any VR program in the country. In PY2021, our Title-IV VR program will continue focusing on improving our MSG rate but will also begin implementing steps to prepare for PY2022 and negotiated targets for our remaining Indicators of Performance still in baseline.
